

# DHARMA

## SKILLED BACKEND ENGINEER

**Based:** Remote or Abu Dhabi, UAE

**Reporting to:** VP Engineering

**Start date:** ASAP

**Status:** Freelance, at least 2 months, potentially more

## ABOUT DHARMA

Our mission is to bring the world together through the power of shared experience. DHARMA is a fast-growing, travel-tech startup based in London, UK and Abu Dhabi, UAE. Our innovative business model creates, builds, launches, and operates an exciting range of group travel brands created around passion points, from wellness to sport to food and drink. Our dynamic, enthusiastic team has a positive impact on the world and does exceptional work. Together, we are revolutionizing the way travel experiences are built, promoted, and delivered.

## JOB OVERVIEW

You'll work alongside our VP of Engineering to build the backbone of our Orchestration Hub. Think Zappier or Make with **a lot** of clean, well-tested FP-written pipelines of domain logic. The way we approach building software at DHARMA is, quite frankly, the good kind of boring: we are not creating complex shiny algorithms. Instead, we are building as little software as we can to provide as much value as possible in the most maintainable way.

## RESPONSIBILITIES

- Build maintainable and well-tested software
- Take ownership of a whole Product
- Communicate effectively with stakeholders

## QUALIFICATIONS

- Demonstrable experience in building quality software
- An eagerness to learn new business domains
- A passion for software craftsmanship

# DHARMA

- Ability to work comfortably in an english speaking environment

## **BOOKS WE'VE LOVED AND TRY TO LIVE BY**

- Domain Modeling Made Functional, S.Wlaschin
- Domain Driven Design, E.Evans
- Implementing Domain-Driven-Design, V.Vernon
- Refactoring, M.Fowler
- Clean Code, Robert C. Martin

## **OUR CURRENT STACK**

- Programming language: TypeScript, using fp-ts
- Backend architecture: serverless-based, hosted on aws
- Programming style: mostly accessible functional with hints of object-oriented where helpful

## **HOW TO LEARN MORE**

Thank you for your interest in DHARMA. We genuinely appreciate your enthusiasm.

To apply for this position, please send us your résumé and cover letter. Feel free to submit the form linked [here](#) or send us an email at [jobs@seekdharma.com](mailto:jobs@seekdharma.com).
